

## Fall 2021/Winter 2022

# COURSE/TIMETABLE/ REGISTRATION INFORMATION

(for upper-year JD students and all graduate students)

### 1. BASIC INFORMATION (this section mainly for JD students)

- You are responsible for complying with all JD degree requirements, and for registering in your courses by the relevant University deadlines. So please read the following information *very carefully, before you register*.
- For the upper-year course timetables (Fall and Winter), see **Course Timetable, Fall 2021**, and **Course Timetable, Winter 2022**. For examination timetables (Fall and Winter), see **Exam Timetable, Fall 2021**, and **Exam Timetable, Winter 2022**.
- All upper-year (*i.e.*, second and third year) JD students must register for at least 31 credits in second year and 31 credits in third year.
- All upper-year (*i.e.*, second and third year) JD students must register for at least 12 credits per term, to a maximum of 18, and for at least 31 credits per year, to a maximum of 36. **You will only be able to register for the maximum of 18 credits during the Fall semester as the maximum will be exceeded during the Winter term as a result of the 4 credit Block courses.**
- JD students cannot register for less than the required number of credits (see above) without first obtaining the written consent of the Assistant Dean, Student Services to register as part-time. That consent is given only in exceptional circumstances as determined by the Faculty's part-time studies policy.
- **NOTE:** Second-year JD students **cannot** accumulate surplus credits in their second year for subsequent application towards their third year requirements. In other words, courses taken in the second year cannot count towards the third year of the program. Therefore, credits earned for summer 2021 courses must be applied as follows: one course per (Fall or Winter) semester and must be taken in 2L for current 1L students and in 3L for current 2L students.
- All courses carry 3 credits, except Block courses which carry 4 credits each.
- You are personally responsible for registering in your required courses, as well as in your optional courses, unless otherwise indicated.

- Where “Consent of the Faculty” is required, that consent can only be given by the Assistant Dean, Student Services except in Law 585, 587, 589, 646, 652, 654, 673, 677, 678, 690 and 695 where consent is given by the Mooting and Debating Committee, which selects students for these courses following application.
- If you are applying for student loans, you may need to register in your courses sooner rather than later, perhaps even by the beginning of August. For the specifics on this, check the conditions of your loan applications.
- If you are a second-year student and thinking of studying abroad during the Fall Term of your third year, your best source of initial information is the UCalgary International Study Abroad office, located in MacKimmie Tower 501. For Faculty of Law information, see International & Civil Law Study on the Current Students website. Please note that there are deadlines for applying and you should be aware of those, particularly if you are seeking letters of reference from faculty.

### **MANDATORY COURSES/REQUIREMENTS**

- The required courses that **must** be completed **in second year** are Administrative Law, Ethical Lawyering, Civil Procedure, Evidence, and Negotiation. Ethical Lawyering (3 sections) is offered in the Fall term, and Civil Procedure (3 sections) in the Winter term. Two sections of Administrative Law and Evidence are scheduled in the Fall; one section of each is scheduled in the Winter term. Negotiation is a 3-week block course in January.
- Students who are waitlisted for a mandatory course **MUST** ensure they enroll in another section of that course as 2L courses must be completed in 2L.
- The only required course that must be completed in third year is Law 602: Advocacy (3-week block course in January). Students must register in one of the sections (Civil Trials or Criminal Trials) at the time enrollment opens on Monday, June 21<sup>st</sup>. Students who have not registered by 4:00 pm on Friday, July 9<sup>th</sup> will be automatically assigned to either the Civil or Criminal sections depending on the number of students registered in each section. Students are not permitted to move sections after this date without the approval of the Course Director and the Assistant Dean, Student Services. See Law 602: Advocacy Course Information on the website.
- Registration in required courses is on a first-come/first-serve basis, and all sections are capped for pedagogical or seating capacity reasons. ***If a particular time, term or professor is a priority to you, make registration in that course a priority because we will not be lifting enrollment caps even where there is a significant wait list.***
- In order to graduate with a JD from the University of Calgary, you must also satisfy the following requirements:
  - “Upper Year Writing Requirement”. For detailed information, [see Upper Year Writing Requirement](#). Students must complete and submit a [Written Declaration \(Upper Year Writing Requirement\)](#) to the Assistant Dean, Student Services confirming that the requirement has been satisfied.

- “International Requirement”. For detailed information, see [International Requirement](#). Students must complete and submit a [Written Declaration \(International Requirement\)](#) to the Assistant Dean, Student Services confirming that the requirement has been satisfied.
- “Theoretical Perspectives Requirement”. For detailed information, see [Theoretical Perspectives Requirement](#). Students must complete and submit a [Written Declaration \(Theoretical Perspectives\)](#) to the Assistant Dean, Student Services confirming that the requirement has been satisfied. Note that theoretical perspective courses are capped for pedagogical or seating capacity reasons, so if taking one of these courses is a priority for you, make registration in that course a priority.

**Remember!** In order to graduate in law from the University of Calgary, you must achieve satisfactory performance (C- or better, or Completed Requirements (CR) in courses marked CR/D/F) in each required element of the curriculum (*i.e.*, mandatory courses, upper-year writing requirement, international requirement and theoretical perspectives requirement).

### OPTIONAL COURSES

All optional courses are open to both second and third-year students, except Law 591 (*Provincial Court Clerkships*) which is open to third year students only.

- If you register in Law 674A & B (*Business Venture Clinic*), you must enroll in Law 632: (*Entrepreneurial Law*) as well.
- If you are interested in a Provincial Court Clerkship (Law 591), up to five third-year students may be selected (in the Fall) for a Clerkship at the Provincial Court of Alberta during the Winter Term. The deadline for applications is 4:00 pm. on Thursday, October 21, 2021. For detailed information, see [Provincial Court Clerkships on the website](#).
- If you are interested in Law 653: Directed Research, approval is required from the Office of the Associate Dean. For information see [Directed Research Proposals on the website](#).
- If you are interested in taking Law 696.xx (LEAF Clinical), see LEAF [Clinical on the website](#).
- **Please note: SLA Clinical Theory & SLA Clinical Practice, Business Venture Clinic, and the Public Interest Practice Clinical are 3 credit courses offered over the whole year. The credits for year-long courses are posted to your transcripts at the end of the Winter term. Exceeding the maximum term credits during the Winter term in such situations is acceptable.**
- **Also note:** Law 596: Feminist Legal Theory (Fall) is scheduled to begin 3 weeks after the regular start of classes and therefore has longer class times. **Please check the timetable very closely for details.**

- **Where two or more courses conflict in any way with one another either on the timetable or on the final exam schedules, you may only enroll in only one of them. No exceptions can (or will) be made to this.**

## 2. ENROLLMENT CAPS

Many courses have either pedagogical caps or caps because of seating capacity. These caps cannot be lifted.

Once the enrollment cap in a course has been reached, you will not be able to register in that course or section. However, you can register on a waiting list. If a place opens up, the first eligible student on the waiting list will be automatically enrolled by the system, and an email will be sent to him/her the next day confirming this. **We cannot move people ahead of others on a waiting list for any reason.** Keep in mind, however, that there is **typically a lot of movement** up until the course drop deadline for each term so please be patient.

## 3. PREREQUISITES/COREQUISITES

Some optional courses have prerequisites/corequisites. For those which do and do not, see [Instructor Course Descriptions](#) and the [Calendar Course Descriptions](#). Consent to waive a prerequisite/corequisite may be given by the Assistant Dean, Student Services (or in the case of graduate students, by the Graduate Program Director), but only if the instructor consents *first*. The procedure to follow is: (1) approach the instructor by email seeking the instructor's consent to waive the pre/co requisite and explain why you believe they should agree to waive it in your particular case; (2) assuming consent, ask the instructor to email you and copy the Assistant Dean, Student Services confirming the consent; and (3) if the Assistant Dean, Student Services (or Graduate Program Director) also consents, the prerequisite/corequisite will be manually waived in the registration system.

## 4. AUDITING COURSES

Provided the instructor consents *first*, the Assistant Dean, Student Services may consent to JD students auditing courses and the Graduate Program Director may consent to graduate students doing so. The procedure is as follows: (1) approach the instructor by email seeking the instructor's consent to audit; (2) assuming consent, complete a "Registration Exceptions" form (available [here](#)) and ask the instructor to initial it; (3) give the form to the Assistant Dean, Student Services who will send it to Enrollment Services; (4) Enrollment Services registers you as an audit student and charges you a fee.

## 5. LAW-RELATED COURSES OUTSIDE THE FACULTY

With the *prior* consent of the Assistant Dean, Student Services, JD students may take law-related courses outside the Faculty of Law for credit towards their law degree, up to a maximum of 9 credits over their second and third years combined. (Graduate students wishing to take a course outside the Faculty should consult with the Graduate Program Director.)

JD students should initially propose a course by emailing the Assistant Dean, Student Services, including the course number (minimum 300, preferably higher), title, description and projected course outline/ syllabus. Such courses must be seen to complement your law degree, by adding

significantly to your understanding of law and the legal system (e.g. courses in legal or moral philosophy, constitutional government, legal history, criminology and so on). On the other hand, such courses must not involve a subject which you can study (or could have studied) in the Faculty of Law at a more appropriate level (e.g. a course in business law for business students would not be approved, nor would any other substantive or procedural law course designed for non-lawyers).

## 6. EXAMINATION TIMETABLES

We publish the exam timetables now so that you can take them into consideration when choosing your optional courses. If, for example, you want to avoid two or three or four exams in two days, now is the time to avoid that by selecting your courses accordingly. **The exam timetables are firmly set and applicable to all students, and we cannot adjust them on account of individual concerns and preferences, nor can we defer exams to accommodate conflicts.** The University Regulations also indicate as follows:

**Requests for pre-assignment of examinations to special dates for whatever cause or reason will not be accommodated. Similarly, requests for changes to the dates of scheduled examinations will not be approved. Student votes and petitions to change a scheduled final examination will not be considered as these have been found to result in undue pressure on students not in agreement with an altered examination schedule.**

The exam timetables are based on current information about which courses will have a scheduled final exam. If an instructor decides not to have a scheduled final exam once course outlines are distributed in September and January, we will delete from the exam timetables those courses that have no scheduled final exam.

Upon receipt of the course outlines on the first day of class, it is the student's responsibility to carefully review the assignment due dates and deadlines to ensure that they can manage their workload accordingly.

## 7. COURSE DESCRIPTIONS

Included on the faculty website is the [“Instructor Course Descriptions”](#) document. This document provides descriptions of most courses being offered this year, including information about the topics the courses cover, the anticipated evaluation methods, and what you might gain from taking the courses. We **strongly recommend** that students review this document carefully prior to making your course selections. For courses not listed in the Instructor Course Descriptions document, please see the [Calendar Course Descriptions](#).

## 8. COURSE OUTLINES

Some course outlines from previous years are available through the Bennett Jones Law Library D2L page. You may access them as follows:

- Sign on to MyUofC.
- Select D2L.
- Click on the “My Tools” drop down menu in the red tool bar at the top of the page and select “Self-Registration”.
- One of the courses listed in the Course Offering Name is “Bennett Jones Law Library”.
- Select it and follow the steps to register for the BJLL course page.

- Once registered, click on “Content” to see the Outlines, which are arranged by course level.

Please note, however, that instructors may change the content and evaluation methods for their courses from year to year.

## 9. HOW TO REGISTER IN COURSES

Step by step instructions can be found at <https://www.ucalgary.ca/registrar/student-centre/how-guides>.

Be aware when registering in multi-term courses that multi-term courses are identified as "A" for Fall and "B" for Winter. You must register for the course in each term as well as pick the same class section. You must register in Part A prior to enrolling in Part B. If you try to enroll in Part B first, you will receive an error message and the enrolment action will fail.

## 10. NEED HELP WITH REGISTRATION?

Help is available from Enrollment Services – contact them by telephone at 403-210-7625,

## 11. CHANGE OF REGISTRATION DATES: FALL TERM

- **Thursday, September 16:** Last day for *dropping* courses (without receiving a “W” grade).
- **Thursday, September 16:** No refund of fees if you withdraw from full courses or Fall Term half-courses after September 16.
- **Friday, September 17:** Last day for *adding* courses or for changing registrations from credit to audit or audit to credit in full courses and Fall Term half-courses.

## 12. CHANGE OF REGISTRATION DATES: WINTER TERM

- **Tuesday, February 1:** Last day for *dropping* courses (without receiving a “W” grade).
- **Tuesday, February 1:** No refund of fees if you withdraw from full courses or Winter Term half-courses after this date.
- **Wednesday, February 2:** Last day for *adding* courses or for changing registration from credit to audit or audit to credit in full courses and Winter Term half-courses.

## 13. PAYMENT OF FEES

There are a number of options regarding fee payment. It is highly recommended that you use telephone/internet banking services to pay your fees. By paying through banking services, you can avoid the long line-ups that occur around the fee payment deadline and ensure that your fees are processed right away. The University of Calgary no longer accepts tuition payments by credit card. Additional information on fee payment can be found at <http://www.ucalgary.ca/currentstudents/finances>

Students can access their fee statement through their Student Centre in [MyUofC](#). For more information regarding fee assessment and payment, contact Enrollment Services at [esdocs@ucalgary.ca](mailto:esdocs@ucalgary.ca) or by telephone at: 403-210-7625.

**Friday, September 24, 2021:** fee-payment deadline for JD and graduate students for Fall Term.

**Friday, January 28, 2022:** fee-payment deadline for JD and graduate students for Winter Term.

## Upper-Year Courses for 2021/22

- All full-time JD students must register, in *each* of their second and third years, **for at least 12 credits per term, to a maximum of 18**, and for at least 31 credits per year, to a maximum of 36.
- All graduate student course selections must be approved by the Graduate Program Director.
- Some optional courses have prerequisites/corequisites. For those that do and do not, see [Instructor Course Descriptions](#) and [Calendar Course Descriptions](#).
