1. BASIC INFORMATION
   • Course registration will open at 9:30 a.m. MDT on Monday, June 18.

   • You are responsible for complying with all JD degree requirements, and for registering in your courses by the relevant university deadlines. Please read the following information carefully, before you register.

   • Students must enrol in courses by August 1. If you are unable to do so, please contact the Admissions office at law@ucalgary.ca.

   • If you are applying for student loans, you may need to register in your courses sooner rather than later. For the specifics on this, check the conditions of your loan applications.

2. TIMETABLE
   • The fall and winter timetables are posted on the New Students and Current JD Students pages, through SharePoint. You will automatically be given access to SharePoint using your UCalgary email address at the beginning of June.

   • Your IT Account/UCalgary email address is used to sign into SharePoint.

   • There may be timetable changes that will occur over the summer. All changes to the timetable will be posted on SharePoint.

   • Block courses do not appear on the timetable. Please see MANDATORY COURSES/SECTIONS below for more information about block courses.

3. EXAMINATION TIMETABLES
   • The exam timetables are available on both the New Students and Current JD Students pages, through SharePoint.

4. COURSE OUTLINES
   • A course outline, list of required readings and a syllabus will also be available the first day of each class. Some instructors may also make their course outline available through D2L.

5. MANDATORY COURSES/SECTIONS
   • The compulsory first-year law courses are:
     o Law 400: Constitutional Law (full-year course)
     o Law 403: Legislation
     o Law 420: Foundations in Law & Justice 1 (Fall Block course)
- Law 410: Crime: Law & Procedure (full-year course)

  - Law 503: Administrative Law
  - Law 505: Civil Procedure
  - Law 507: Evidence (If not completed at Jindal)
  - Law 510: Ethical Lawyering

- Only second and third year students, including Jindal students, may register in 500 and 600 level courses, and only graduate students take 700 level courses.

- Students in our 1L class are separated into sections to maintain cohorts. You must register for the 1L course sections that you have been assigned. Please refer to the Section Assignment PDF that was emailed to you. Students who register in an incorrect section will be moved to the correctly assigned section. Requests for specific sections, or to change sections unfortunately cannot be considered. You may register in any section of the 500 level courses that you wish to enrol in.

- It is possible that you may be reassigned to a different section before classes begin. If your section number changes, we will advise you by email.

- **Block courses** are typically held Monday through Friday, 8:30 a.m. – 5:00 p.m. during the assigned period. Your instructors will provide more information. Attendance is mandatory. Please make your plans accordingly.

  - Law 407 Foundations in Law & Justice I will be offered as a block course from September 4-20

  - Law 408 Foundations in Law & Justice II will be offered as a block course from January 6-24. Alternatively, JGLS students may take Law 508 Negotiations which is offered during the same time.

- Law 407: Foundations I instructors may make prep materials available in Desire2Learn (D2L) sometime during the week before the first class. They may also send an email to your UCalgary email address the week before classes begin.

- **Remember!** In order to graduate in law from the University of Calgary, you must achieve satisfactory performance (C- or better, or Credit in courses marked CR/D/F) in each required element of the curriculum.

6. **HOW TO REGISTER IN COURSES**
- How-to guides for course registration can be found here.

- Most 1L courses are full-year (multi-term) courses. Be aware when registering in multi-term courses:
  - Multi-term courses are identified as "A" for fall and "B" for winter. **You must register for the course in each term as well as pick the same class section.**

  - **You must register in Part A prior to enrolling in Part B.** If you try to enrol in Part B first, you'll receive an error message and the enrolment action will fail.
• When selecting your section during course registration, be sure to look at the “Section” column, not the column marked “Section Group.” (Note: this screenshot is from a previous year.)
