

## Completing and Submitting Your Thesis or Dissertation (May 2021)

LLM theses and doctoral dissertations must comply with the policies and practices of both the Faculty of Graduate Studies and the Faculty of Law.

Faculty of Graduate Studies guidelines regarding the development, formatting and submission of these documents are available on the website of the [Faculty of Graduate Studies](#).

The Faculty of Law requires that two printed copies of these documents be submitted to the Bennett Jones Law library, so that one can be archived in our Special Collections and the other can be in circulation.
